

# Blue Goose Alliance Bulletin

#26 - February 9, 2003

## **Alliance Plans March Meeting in Florida**

In conjunction with the upcoming Refuge System Centennial celebration in Florida, the Blue Goose Alliance will hold a special meeting in Sebastian, Florida, on March 16, 2003. The meeting will be from 9:00 a.m. until 4:00 p.m. at the Hurricane Harbor Restaurant located at 1540 Indian River Drive. Sebastian can be reached from I-95 by taking Exit 69 and proceeding east on County Road 512. Cross U.S. Highway 1 and the next street will be Indian River Drive. Turn left and continue on to the Hurricane Harbor Restaurant.

The Pelican Island Preservation Society (PIPS) will sponsor its annual Wildlife Festival on March 15 and 16 at Riverview Park in Sebastian. This park is just down the road from the Alliance's meeting place, and the Alliance will be hosting a table top display at the festival. The Alliance will also host the table top display at the same location during the Refuge System Centennial celebration on March 14th.

Since other events are planned in conjunction with the Centennial celebration, we expect there to be a large number of people interested in the Refuge System in the Sebastian area in mid-March. Everyone is invited to drop by the Alliance meeting and/or the display at the PIPS festival and say hello. We would welcome the opportunity to meet with you, discuss our mission, and answer your questions.
